

Ref: 9th/21-22/1st December, 2021

Dear Parents,

We are happy to meet you through the 9th letter of the current academic year of our school.

1. EDITORIAL

Dear Parents,

After nearly two years, Gujarat is all set to resume offline classes for lower primary sections.

Everyone is waiting for these classes to resume soon.

With schools remaining shut for almost a year, a major part of kids' development is getting obstructed. Let alone the psychological toll that lack of companionship has taken on them. Peer learning is the best form of learning. Online learning compromises that. Experts believe that in a post pandemic scenario when schools reopen, the trend would be towards higher adoption of technology and system so that school can not only weather disruptions better but raise their standards of learning outcomes.

IMPORTANT ANNOUNCEMENT

The fees for the year 22-23 (next academic year) shall remain unchanged / will be the same as of 21-22 (current year) including transport and brunch, in order to provide relief amid hardship due to Covid-19.

ADVANTAGES OF TECHNOLOGY WITH BLENDED LEARNING @ AISB :

[Album Link >>](#)

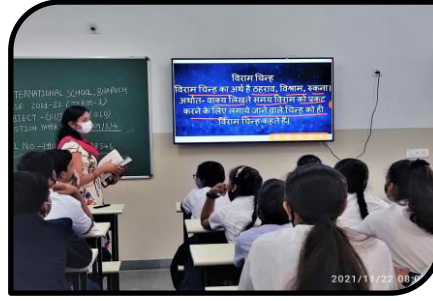

'Technology' has changed the way we acquire knowledge – making education more accessible to all. Education has undergone a revolution of its own and 2020 is a stark example of this.

In this regard, the **National Education Policy 2020** recognizes the importance of leveraging the **advantages of Technology with Blended Learning in schools.**

'Blended Learning' is an instructional methodology that brings together the best of both worlds - online study and face-to-face learning - helping students stay motivated and engaged.

The prevailing situation compels us to look for the other available alternatives, not as the substitute for face-to-face learning but as a supplementary and complementary measure. Emergence of newer digital technologies demands for leveraging it for effective teaching-learning processes at all levels of education.

We are glad to share that considering the importance and benefits of blended learning and online/digital education AISB has installed 12 Android 65" SMART TV in all the classrooms.

SCHOOL BUILDINGS' RENOVATION :

The AISB's both buildings of Main Campus and Pre-primary building of RK Campus are being **renovated and revitalized** to improve the space for existing children to excel and to create attractive classrooms to deliver the highest quality academic environment.

The school is furnished with flexible delivery methods, digital technologies and modernized pedagogy while ensuring sustained support for teachers and communities.

We are all set to welcome our beloved children back to school!

2. SCHEDULE FOR DECEMBER, 2021

3. HIGHLIGHTS OF NOVEMBER, 2021

A. FOUNDATIONAL STAGE (Pre Primary to Grade II)

3D CRAFT ACTIVITY : 17TH NOVEMBER, 2021

[Album Link >>](#)

Toddlers of AIPS enjoyed '3-D Craft Activity' which helps them identify & organize visual information. Nursery kiddos prepared beautiful **3-D Paper Flowers** while LKG & UKG toddlers made **3-D Shapes**. We can visibly see the happiness in toddlers' eyes after making a wonderful 3-D model.

BLACK & WHITE DAY CELEBRATION : 24TH NOVEMBER, 2021

[Album Link >>](#)

We celebrated 'Black & White Day'. Toddlers enjoyed various activities related to the colours Black & White like Zebra Crossing & Traffic Rules, Day and Night, etc.

OTHER ACTIVITIES :

Our students are learning a lot through academic and co-curricular activities conducted during online classes with full enthusiasm.

To have a glance at more pre-schools' activities please visit the below given album links:

B. PREPARATORY, MIDDLE & SECONDARY STAGE (Grade III to XII)

SCIENCE ACTIVITY – MODEL MAKING – GRADE 6 & 7 : 16TH & 17TH NOVEMBER, 2021

[Album Link >>](#)

We at AISB make learning Science interesting with **hands-on Experiments and Projects** which not only offer our students the chance to explore concepts too close but also help them discover their scientific skills along the way.

Students of **Grade 6** were engaged in '**Rainwater Harvesting Model Making Activity**' and **Grade 7** students were engaged in '**Human Heart Model Making Activity**'. Students prepared creative models so nicely.

ENGLISH ACTIVITY - DEBATE - GRADE 12 SCIENCE : 17TH & 18TH NOVEMBER, 2021

[Album Link >>](#)

We organised **DEBATE** on topics "**Cancellation of Board Exams**" and "**Sudden Lockdown**" for the students of **Grade 12 (Science Stream)** as a part of English activity. Students shared their ideas and opinion for and against the motion.

ATTENDED LIVE CONSTITUTION DAY CELEBRATION PROGRAMME DIRECT FROM THE PARLIAMENT: 26TH NOVEMBER, 2021

[Album Link >>](#)

We feel proud to introduce our Constitution to the young learners. Our students of **Grade 11 (Arts Stream)** **virtually attended live 'Constitution Day' celebration programme direct from the Parliament House** on 26th November, 2021. It was addressed by the Hon'ble President, Vice President, Prime Minister and Lok Sabha Speaker. India observes 'Constitution Day' every year on November, 26 to commemorate the adoption of the Constitution by the Constituent Assembly in 1949.

Our students also **participated in the 'Online Quiz on Constitutional Democracy'** organised for the students by NCERT during the programme. The main objectives of the quiz are to make the students aware about the Preamble to the Constitution, Fundamental Rights and Duties, Directive Principles of State Policy, familiarise children with the History of the making of our Constitution and the eminent People involved in its making and to **prepare our future generations, committed to Constitutional Values and Nature the Democratic Principles.**

4. GENERAL INFORMATION

YOUNG ACHIEVERS

[Album Link >>](#)
