Dear Parents,

We know that the world is on the path of **E-Learning and Digital era**.

The situation demands that adaptability is the only way of survival.

When the world is going through the worst crisis and the schools are closed for the students, our school started the new academic session without disturbing the schedule of the Annual Planner through **Virtual Classes** for all standards (**Pre-primary to XII**) which was highly appreciated and supported by the parents and students.

Our students are learning a lot through academic and co-curricular activities conducted online with full enthusiasm.

We are pleased to share with you the **Weekly Report** of online classes from **26th Apr, 2021 to 1st May, 2021** of **AMICUS INTERNATIONAL SCHOOL, BHARUCH**.
