**29<sup>TH</sup> WEEKLY REPORT OF AISB**  
**FROM 22<sup>ND</sup> NOV, 2021 TO 26<sup>TH</sup> NOV, 2021**

Technology with Blended Learning at AISB

**‘Technology’ has changed the way we acquire knowledge** – making education more accessible to all. Education has undergone a revolution of its own and 2020 is a stark example of this.

In this regard, the **National Education Policy 2020** recognizes the importance of leveraging the **advantages of Technology with Blended Learning in schools.**

‘Blended Learning’ is an instructional methodology that brings together the best of both worlds - online study and face-to-face learning - helping students stay motivated and engaged.

The prevailing situation compels us to look for the other available alternatives, not as the substitute for face-to-face learning but as a supplementary and complementary measure. Emergence of newer digital technologies demands for leveraging it for effective teaching-learning processes at all levels of education.

**We are glad to share that considering the importance and benefits of blended learning and online/digital education AISB has installed 12 Android 65” SMART TV in the classrooms.**

Please find the **Weekly Report** of online classes from **22<sup>nd</sup> Nov, 2021 to 26<sup>th</sup> Nov, 2021** of **AMICUS INTERNATIONAL SCHOOL, BHARUCH.**

**CBSE BOARD EXAMS** of Term-1 for **Grade 10 & 12** are going on at our exam Centre.

**PRE-SCHOOL (Main Campus, SA Campus, RK Campus)**

**PRAYER TIME**

• **Father, We Thank You**

• **Sanskrit Shlok – Shubham Karoti kalyanam**

**JOY GROUP**

## BLACK & WHITE DAY CELEBRATION

*Just like we cannot imagine a world without colours, a world without black and white is unimaginable too!*

*Our Kindergarten learners of **Amicus International Pre-school** celebrated the*

**Black and White Day** on Wednesday 24th, November 2021 in school. The learners were dressed in black and white attire. They were shown different black and white objects such as white paper, black pen, white paint, black paint, and black and white wool, etc.

They also understood the concept of Zebra Crossing & Safety rules followed on the Road. Toddlers of UKG had a fun Day & Night Concept. Our Toddlers enjoyed it a lot.

## **CODING**

We have started with a new topic in CODING i.e **ALGORITHM**.

Algorithm is nothing but a sequence of codes. Sequencing is understanding of how a series of objects or events occur in a specific & logical order. Sequencing requires two skills - (1) Sorting (2) Patterning.

Our Little Munchkins did the worksheet of Algorithms with ease.

**PRIMARY, SECONDARY & HIGHER SECONDARY**

## Grade -1
