"We are a Rainbow of Possibilities".

Rainbow Day is an exciting and vibrant celebration that takes place in AIS, where children embark on a colorful journey, exploring the beauty and diversity of the world through the spectrum of colors. Children learn about colors, develop their fine motor skills, enhance their sensory perception, and appreciate the diversity that colors represent.

It is a day filled with joy, creativity, and learning, as we encourage our young learners to embrace the wonders of the rainbow and appreciate the richness it brings to our life.
