### STORY TELLING' BY GUEST PARENTS

Storytelling in preschool is a powerful tool for holistic development, including language, cognitive, emotional, and social skills. It's a cornerstone of early childhood education. They can develop language, cognitive skills, listening skills, creativity, emotional feelings, cultural awareness, preparation for reading bonding etc.. AISB invited Mothers of preschool students for story telling session class wise for preschool kiddos on 22nd August . The mothers wonderfully brought the scenes lively to the class and enlightened good moral values to the kiddos.
