*"We are not put on this earth for ourselves, but are placed here for each other. If you are always there for others, then in time of need, someone will be there for you."*

*Disaster is the most unpredictable factor in our life and this time the floods have caused immense suffering and displacement for many families in Ankleshwar, Narmada District and even some basic areas of Bharuch District. Homes have been destroyed, livelihoods disrupted, and access to basic necessities like food and clothes has become a daily struggle for many individuals.*

*In such hours of crises, Amicus International School has always extended a helping hand to the society. To establish the habit of giving and helping others in time of need, we requested parents to help in food grain donation for the flood affected people.*

*Our generosity can go a long way in ensuring that those in need have access to nutritious meals. during this challenging period.*

*Every contribution, no matter how big or small, can help to alleviate the hunger and suffering of those affected by the floods.*

*Thank you for your consideration and kindness .Together, we can make a positive impact on the lives of those who need it most.*

## GANESH CHATURTHI CELEBRATION

*Ganesh Chaturthi is a Hindu festival that marks the birthday of Lord Ganesha, the symbol of wisdom, bestows his presence on Earth during this festival and removes the obstacles.*

*With such AISB welcomed Bappa at all the Campuses on the auspicious occasion of Ganesh Chaturthi. The sole purpose of the celebration was to let the students stay rooted with Indian culture and to enable them to understand the significance of this festival. The celebration begins with Ganpati puja followed by Ganesh Arti and Prasad distribution to all. Parents, Grandparents, VIP Guests were invited to be the part of pooja and Arti.
