## Diwali Celebration

*Diwali is a festival that is widely celebrated in India with great enthusiasm. It is called the Festival of Lights. The festival commemorates joy, harmony, and victory. It also marks the return of Lord Ram from exile, which is described in the epic Ramayana. Rangoli making has been an essential part of Diwali celebrations in our country. Although Diwali is a festival of lights, the Rangoli colors play a big role in bringing out the festive spirit during these celebrations. Therefore, to promote this traditional Art Form amongst our students, our teachers along with kids enjoyed making Rangoli with flowers and colors grade wise.*
