Sports Day

“Just Play. Have fun. Enjoy the game”.

The phrase “All work and no play makes Jack a dull boy” holds even for the young learners. Sports, whether team based or individual, are great for children as they provide not just physical activity, but also help build children’s self-esteem, confidence, social skills and motivate them to excel in life. In recognition of the importance of sports in a child’s life, the Pre-Primary section of Amicus International School celebrated it on 22nd November. Kids enjoyed various games and activities and some outshine in their sports skills.
