Fashion Show Competition

India is a prosperous country with 29 states and 7 Union territories. The people of India, their foods, festivals and languages – all these make India a very diverse country. Every state of this country has a unique charm, a unique history and a unique culture, which makes it stand apart from the rest. One needs more than a lifetime to explore all the states of India as they offer a wide spectrum of tourism possibilities. We meet multilingual people, delve into their faiths, understand their cultures and savor their cuisines. The Pre-primary section has organized a Fashion Show Competition having the **theme Unity in Diversity** where students dressed up representing different states and saying a few lines about it. The aim is to provide valuable insights into the diverse cultures, traditions, languages to students about states of India.
