### COLORING COMPETITION

"Colors are brighter when the mind is open".

We, Amicus International Pre-School, believe that every child has an ocean of inner strengths & our aim is to develop these strengths.

As we all know, little kiddos have always fantasized about Colors. Thus, the first Competition for this AY 2023-24 for pre-primary munchkins is the Coloring Competition, where Kiddos brought their colorful imaginations. It helped them in exploring new ideas, creativity as well as sense of colors. It also helps in self expression, color recognition, building motor skills, grip control, coordination, focus & boundaries.

Our cutie pies participated with zeal & showed their talent excitedly.
