WATER SPLASH

"It's not SUMMER, Till you make a SPLASH."

We @ Amicus International Pre-school believe in fun with learning.

In this scorching heat, water splash is a blessing for kids. Children love to play with friends and teachers in the swimming pool. We had organized a water splash week (24th April - 28th April, 2023),

where all the children went into the pool along with classmates & teachers.

Water play also helps children to develop Fine & Gross Motor skills by pouring, stirring, walking, squirting, squeezing etc. Children were reluctant to get out of the pool. They enjoyed it a lot, & it's one of the best memories of AIS school life.
