EVENTS & CELEBRATIONS

FIRELESS COOKING COMPETITION

" EATING IS A NECESSITY, BUT COOKING IS AN ART."

Every parent wants their kids to learn singing, dancing, painting, etc. But as a parent we ignore a very important art that our kids must learn and this skill is going to help them throughout their life i.e COOKING.

In AIS, we conducted a **Fireless Cooking Competition** with Parents & Kids on **14/06/2023, Wednesday**. This competition is just a small initiative for the kids to inculcate a new habit - cooking.

Cooking with kids is not just about ingredients, & recipes.. It's about harnessing imagination, empowerment & creativity. AIS Parent-child duo had made some of the best mouth watering delicacies with utmost creativity & encouraged our adventurous palate to have more. Our sincere thanks to all the Super Dad's, who took some time out from

their busy schedule to take part in this competition for the smile of their wards. Indeed it was tough to judge, but the winners & non winners are equally appreciable.

CARD MAKING

Making a card for the loved ones gives immense pleasure to the receiver as well as giver. A greeting card expresses all the human emotions, joy, thanks, sympathy, humor, love etc... It allows us to explore our own creativity and develop our own ideas.

On the occasion of Father's Day, our AIS has organized Card Making, on 16/06/2023, Friday, with Toddlers for their Dad. All the children were super excited and made the card with glittery eyes & joyous smiles.
