## VISIT TO VEGETABLE MARKET

*To get all those vitamins and minerals, a visit to the vegetable market once a week is a must.. We at AIPS set up their own vegetable market as a reinforcement to the topic of healthy food. Children had fun filled experience of selling and buying vegetables, they were excited using the weighing scale for measurement and negotiating prices.*

*The enriching experience created a positive learning environment which [provided our toddlers an amazing experience and they could connect this activity to real life .*
