

Ref: 3rd WR/18th - 22nd April, 2022

3RD WEEKLY REPORT OF AISB
FROM 18TH APR, 2022 TO 22ND APR, 2022

Technology with Blended Learning at AISB

‘Technology’ has changed the way we acquire knowledge – making education more accessible to all. Education has undergone a revolution of its own and 2020 is a stark example of this.

In this regard, the **National Education Policy 2020** recognizes the importance of leveraging the **advantages of Technology with Blended Learning in schools.**

‘Blended Learning’ is an instructional methodology that brings together the best of both worlds - online study and face-to-face learning - helping students stay motivated and engaged.

The prevailing situation compels us to look for the other available alternatives, not as the substitute for face-to-face learning but as a supplementary and complementary measure. Emergence of newer digital technologies demands for leveraging it for effective teaching-learning processes at all levels of education.

We are glad to share that considering the importance and benefits of blended learning and online/digital education AISB has installed 30 Android 65” SMART TV in the classrooms.

Please find the **Weekly Report** of online classes from **18th Apr, 2022 to 22nd Apr, 2022** of **AMICUS INTERNATIONAL SCHOOL, BHARUCH.**

PRE-SCHOOL (Main Campus, SA Campus, RK Campus)

PRAYER TIME

• **Father, We Thank You**

• **Sanskrit Shlok – Shubham Karoti kalyanam**

JOY GROUP

GK		Smarties were Introduced to Me & My self .
STORY		Tiny tots enjoyed चींटी और कबूतर की कहानी, & The Foolish Lion .
ART & CRAFT		Kiddos did an Earth Day Activity .

SAVE EARTH

Earth is the only planet which can sustain life on it. We don't have any other options available to move onto. This makes it more serious to save our planet i.e EARTH.

22nd April, 2022 is celebrated as World Earth Day. On this day, our tiny kiddos of Amicus International Pre-School discussed the Importance of Saving Earth, & also did various activities. By celebrating this day, we are creating awareness in our toddler at this tender age, which will inculcate consciousness of our Environment & how to take care of our Mother Earth.

Few glimpse for the same are shown below :-

Earth day activity

Earth day activity

EARTH DAY CELEBRATION
