4TH WEEKLY REPORT OF AISB
FROM 25TH APR, 2022 TO 30TH APR, 2022

Technology with Blended Learning at AISB

‘Technology’ has changed the way we acquire knowledge – making education more accessible to all. Education has undergone a revolution of its own and 2020 is a stark example of this.

In this regard, the **National Education Policy 2020** recognizes the importance of leveraging the **advantages of Technology with Blended Learning in schools.**

‘Blended Learning’ is an instructional methodology that brings together the best of both worlds - online study and face-to-face learning - helping students stay motivated and engaged.

The prevailing situation compels us to look for the other available alternatives, not as the substitute for face-to-face learning but as a supplementary and complementary measure. Emergence of newer digital technologies demands for leveraging it for effective teaching-learning processes at all levels of education.

We are glad to share that considering the importance and benefits of blended learning and online/digital education AISB has installed 30 Android 65” SMART TV in the classrooms.

Please find the **Weekly Report** of online classes from **25th Apr, 2022 to 30th Apr, 2022** of **AMICUS INTERNATIONAL SCHOOL, BHARUCH.**

EVENTS & CELEBRATIONS

INTERNATIONAL DANCE DAY

Dance is a great way to connect emotionally with an audience and other people. Dance helps bodies & minds to relax, as the music & surroundings take people away from their anxiety & frustration for a while. Dancing in general increases muscle strength & flexibility, which in turn, improves overall range of motion.

Creative thinking skills are developed through dance, as well as learning the value of discipline. Much more importantly, it is an opportunity to teach our children the importance of being part of something larger than themselves. Dancers learn to take turns, to share attention, & to cooperate with others as they work within a group.

All in all, dance is a great way to build invaluable social skills. So, our toddlers also enjoyed International Dance Day on 29th April, 2022, Friday with great zeal & enthusiasm.
