5TH WEEKLY REPORT OF AISB
FROM 2ND MAY, 2022 TO 6TH MAY, 2022

Technology with Blended Learning at AISB

‘Technology’ has changed the way we acquire knowledge – making education more accessible to all. Education has undergone a revolution of its own and 2020 is a stark example of this.

In this regard, the **National Education Policy 2020** recognizes the importance of leveraging the **advantages of Technology with Blended Learning in schools.**

‘Blended Learning’ is an instructional methodology that brings together the best of both worlds - online study and face-to-face learning - helping students stay motivated and engaged.

The prevailing situation compels us to look for the other available alternatives, not as the substitute for face-to-face learning but as a supplementary and complementary measure. Emergence of newer digital technologies demands for leveraging it for effective teaching-learning processes at all levels of education.

We are glad to share that considering the importance and benefits of blended learning and online/digital education AISB has installed 30 Android 65” SMART TV in the classrooms.

Please find the **Weekly Report** of online classes from **2nd May, 2022 to 6th May, 2022** of **AMICUS INTERNATIONAL SCHOOL, BHARUCH.**

PRE-SCHOOL (Main Campus, SA Campus, RK Campus)

PRAYER TIME

COLORING COMPETITION

Coloring has an important place in a child's overall development. It improves

- Fine Motor Skills
- Encourages focus
- Nurtures creativity
- Improves Hand Eye Coordination
- Builds Concentration & focus
- Teaches Color & Shape Recognition
- Relaxes & Releases Emotions

Keeping in view of all the above benefits, we have conducted a Coloring Competition for our Little Toddlers on 2nd May, 2022, Monday.

Little kiddos had showcased their creativity in a joyous way.
