Dear Parents,

We are happy to meet you through the **1<sup>st</sup>** letter of the current academic year of our school.

## 1. EDITORIAL

Dear Parents,

**"Education is not preparation for life; education is life itself." - John Dewey**

The smell of new books. The pitter patter of feet going to a new class.

The beginning of an academic year is very exciting. But most of us tend to take it easy when an academic year starts and panic when exam time, so to ensure that you learn in the process and achieve your goals, make a solid study plan and stick to it.

There will be obstacles, There will be doubts,

There will be mistakes, But with hard work, There are no limits.

Start from day one. .... Don't wait till last-minute.

**"Learning is a treasure that will follow its owner everywhere."**
