1. EDITORIAL

"Embracing the Olympic Spirit: India's Rising Stars"

As we witness the world's greatest athletes gather for the **2024 Olympic Games**, we are reminded of the power of dedication, perseverance, and teamwork. The Olympics embody the values we strive to instill in our students: excellence, discipline, and sportsmanship.

India's Olympic journey in 2024 has already begun on a glorious opening campaign with the dominant win by the two time Olympic medalist **Indian medalist PV Sindhu**.

The remarkable achievement of bronze medal in 10 m Air Rifle by **Manu Baker** is a testament to the hard work and determination that defines our athletes.

Our students are the future torchbearers of India's Olympic dreams. Draw inspiration from this momentous occasion and emulate the Olympic values in your own lives – strive for excellence, push beyond limits, and support one another. Engage in sports, not just for competition, but for the joy of playing, learning, and growing.

Let us celebrate India's Olympic journey and cheer on our athletes as they continue to make us proud. Together, we can create a brighter sporting future for our nation.

SWITCH OVER FROM THE SCHOOL'S ERP SOFTWARE

To bestow the best to the parents, the school is going to change the ERP software from **Iolite** to **Vidyalaya** app. The details of new software will be shared soon.
