Dear Parents,

We are happy to meet you through the **6th** letter of the current academic year of our school.

1. EDITORIAL

"Somewhere, something incredible is waiting to be known." Carl Sagan

We celebrated the **First National Space Day** - Marking the **Anniversary of India's Maiden Lunar Landing, Chandrayaan-3 on the lunar surface**. This momentous occasion celebrates the nation's remarkable feat, inspiring school children to pursue careers in space research and STEM fields (Science, Technology, Engineering, and Mathematics).

One year ago, our nation achieved the extraordinary, joining an elite group of countries to have successfully landed on the moon. This achievement is a testament to India's growing prowess in space technology and a tribute to the dedication and expertise of our space scientists.

Let us commemorate this historic day by inspiring a new generation of space enthusiasts, innovators, and explorers.

Let us continue to push the boundaries of human knowledge and achievement.

CA Utpal Shah (Director of the school) is appointed as **Independent Director** on board of JYOTI LTD. Vadodara for a period of 5 years starting from 14th August, 2024.
