Dear Parents,

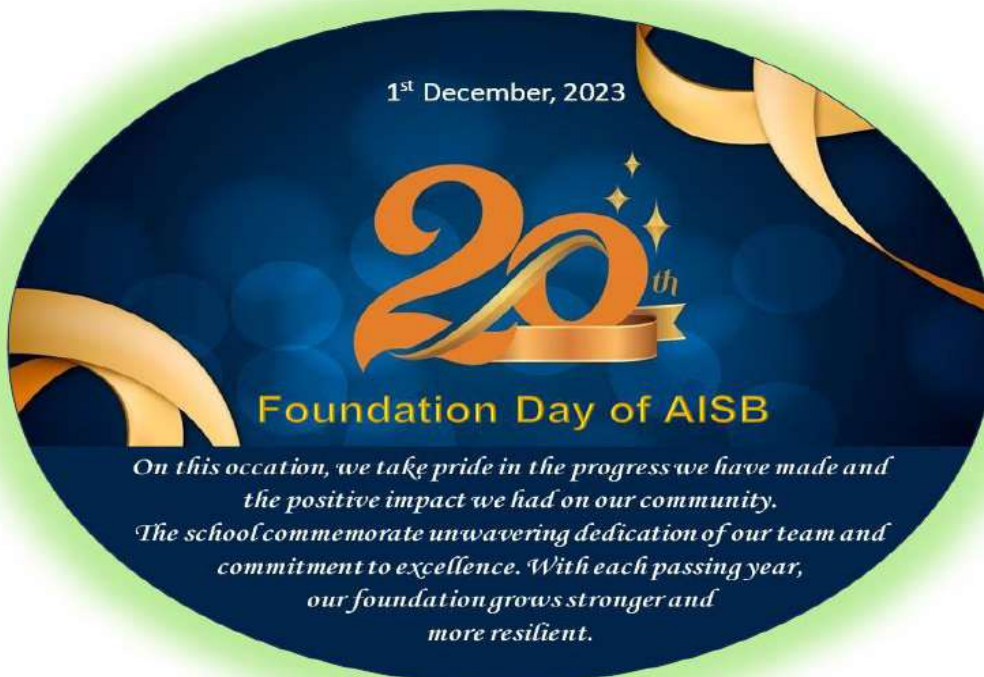

We are happy to meet you through the 9th letter of the current academic year of our school.

1. EDITORIAL

Dear Parents,

The **2023 World Cricket Cup** was indeed a major heartbreak for us Indians who live and breathe cricket. But here are a few things to learn from our 'Men in Blue' who made us proud. Winning or losing doesn't matter; playing and staying in the game is what matters the most. Failure on one particular day doesn't mean you don't know how to play; it was not just our day. Therefore, you shouldn't get disappointed if you are not able to do well in one test, but you should definitely try harder each day and improve yourself.

You should never get demotivated by your failure and think that you will never be able to do it. Instead, you should introspect and make up your mind to focus on your goal. The Cricket World Cup 2023 has come to an end, and the preparation for **T20 series** has started. Just like that, you shouldn't let your failures pull you down in life. You have to get up and chase the next opportunity and win next time with a new positive mindset by learning from past mistakes.

We are proud to announce that our school has been honoured with the prestigious 'GREEN BUILDING AWARD' with "GOLD" rating by the Indian Green Building Council (IGBC) at the 21st CII - IGBC Green Building Congress 2023 held in Chennai on 23rd November, 2023.

The Green Building Award, conferred by IGBC, is a mark of excellence that acknowledges institutions for adopting sustainable building practices and contributing to the overall well-being of the environment. This achievement reflects AISB's dedication to incorporating green and eco-friendly initiatives into our infrastructure.

The **Principal, Ms. Thresiamma Pappachan** expressed her gratitude for this recognition, stating, "We are honoured to receive the eminent Green Building Award from IGBC. At AISB, we believe in instilling a sense of environmental responsibility in our students and incorporating sustainable practices into our daily operations. **This recognition is a milestone in our journey towards creating a more sustainable and eco-friendly educational institution to create a healthier learning environment for our students.**"

AISB remains committed to fostering a culture of sustainability and will continue to explore innovative ways to reduce our environmental impact.
