VISIT TO MARKET

Our pre-primary wings had a day full of discovery with a trip to the Reliance Smart Bazaar ! The children were thrilled to explore the different sections, from the fresh producers to groceries and stationary aisles. Under the guidance of their teachers, they learned about

- Identifying different fruits and vegetables by name, color, and texture.
- The difference between healthy and less healthy food options.
- Basic concepts of shopping, including using a trolley and observing the billing counter.

It was a fun and interactive way to reinforce important life skills and connect classroom learning to the real world!

Children's Day Bookless Day Celebration

14th November, 2025, Friday was all about fun, laughter, and learning beyond books! 

To celebrate Children's Day, our preschool turned into a world of creativity and joy — filled with games, music, dance, storytelling, and endless smiles!
