Dear Parents,

We are happy to meet you through the **11<sup>th</sup>** letter of the current academic year of our school.**1. EDITORIAL****Think Big, Trust Yourself and Make it Happen!**The **CBSE Exams of class X and XII** will start soon.

As we all know, exams are stressful not only for students but also for parents as well.

**'Take it easy, it's just another exam!'**

Please do remember, amongst the students there is an artist, entrepreneur, musician, scientist, athlete, doctor etc. It is not necessary to perform your child in all subjects quite well. But encourage them to believe in themselves so that anything is possible if they have confidence. Prepare well with proper planning. Let them be physically active and stay motivated. Be calm and confident. This helps in achieving precision and finally helps in better presentation during exam.
