Dear Parents,

We are happy to meet you through the **8th** letter of the current academic year of our school.

1. EDITORIAL

Good Sense Must Prevail

The war in Ukraine is threatening to escalate beyond anyone's control. Eight months of war have already created economic and humanitarian disasters.

What is more surprising is that even as the situation is steadily deteriorating, there are no conscious efforts from any side to start a dialogue to end the war.

Russia, Ukraine and the west should begin talks to end the conflict. The alternate would be cataclysmic. UN can't be a mute spectator to such tyranny unleashed by Putin on Ukraine for 8 months. Our largest democracy needs to make amends for abstaining from crucial in voting sessions against Russia.
