MONO ACTING COMPETITION

During Independence week we conducted a Mono Acting Competition on the theme National Leaders for our pre-schoolers with a purpose to introduce young children to the great personalities of our nation in a fun and engaging way.

How this Helps Pre-Schoolers:

1. **Know Our Heroes** - By dressing up and speaking 2-3 lines as leaders like Gandhiji, Rani Lakshmibai, and Dr. Ambedkar, children easily remember who they were and what they did for India.
2. **Build Patriotism** - Stories of courage, truth, and service create feelings of pride and love for the country from an early age.
3. **Develop Skills** - The activity improved confidence, speaking skills, and creativity.

Through play and enactment, children connected emotionally with our national heroes and learned to respect our nation.

"Small steps today, proud citizens tomorrow."
