## A DAY IN SPACE

We @ AIS had explored the most exciting & adventurous topic with our tiny toddlers, i.e A Day in Space. Kiddos learnt about Space, Planets, Moons, Solar System etc. through a movie & various rhymes at Main Campus Assembly Hall on 25th September, 2024, Wednesday.

We had shown pictures & videos of planets, stars & life of astronauts in space. It was a unique experience for kiddos to learn something exciting about the new World.
