CODING	Smarties were introduced with the concept of "Debugging".

Fancy Dress Competition

Cartoons are an inevitable part of every child's life. Each one has his/her own favorite cartoon character which they admire. To denote the importance of Cartoons in their lives, the Pre-Primary Section organized the Fancy Dress Competition on Theme "World of Animation" on Wednesday, 18 December 2024. Animated cartoons are part of children's imaginative world, it is where they start developing their creativity, problem solving skills and emotional intelligence.

There was lots of enthusiasm and excitement as the little ones dressed up in their favourite cartoon character. The effort and hard work of children & support of parents are highly commendable.

Christmas Celebration

Christmas is the festival which inspires the spirit of sharing and caring. Christmas celebration was held on 24th December 2024, in the Pre-Primary Section. The school was beautifully decorated and everybody was dressed in red and white. The programme started with information about Christmas and why it is celebrated. Students enjoyed doing craft activity related to Christmas. The event ended with cheerful Christmas greetings as the students danced to the melodious tunes of 'Jingle Bells' and 'We wish you a merry Christmas.' The boundless joy of celebrating the festival was visible on the faces of all the children. It was a joyous and amusing day for everyone.

Winners of the Fancy Dress Competition
