# EARTH DAY

*Earth day is a special reminder that our beautiful planet needs our love and care .  
Celebrating earth day in preschool will help to sow  
'THE SEEDS OF AWARENESS AMONGST THE YOUNG MINDS' .*

*Our little gems were educated about the importance of saving our natural resources and consequences of damaging them through our daily activities .*

*Tiny tots planted the seeds and observed the process of seed germination. They were very excited to see the growing plants from the seeds they had sown. The aim was to propagate awareness amongst our tiny tots regarding the importance of nurturing our nature for a promising and a better future .*

## Water splash

*Summer is the perfect time to explore ,and there's nothing more fun than spending time in water .*

*One cant have more fun than playing with water on a hot day in a splash pool to beat the heat and to have fun a 'water splash activity' was organized by Amicus International school Bharuch for our little munchkins .*
